

Winchester Community Park

The address is 120 Cross St, Winchester, MA. The complex is still a construction site as completion of the second 11v11 turf field and building are ongoing. It is imperative you stay in the designated access areas and keep out of the construction zone. Enter the complex at the opening nearest the railroad tracks. The exit is further down on Cross St. DO NOT EXIT near the railroad track. There is poor visibility and you won't see oncoming traffic. Access to the turf field is via the pathway on the right. During the construction phase the grass areas CANNOT be used as a warm up area for waiting teams. Please wait for game to finish and warm up on field. Thank you for your patience and understanding as we complete the project.
